

VIRTUAL REALITY EVENT:

INTRO TO VR

Experience the Future

Give your guests the chance to try Virtual Reality using state of the art technology. Choose from hundreds of experiences and give your guests a view of the world they have never seen before. Our highly-trained team of VR Experts will bring the experience to you for events of 10 people up to 10,000. Give corporate teams an "AHA" moment; inspiring ideas for your industry.

What you get:

4 Hours (or more) of unlimited Virtual Reality experiences using the latest technology.

Multiple headsets are available for larger events and hundreds of entertaining and educational experiences ranging from relaxing on a beach, exploring the solar system or piloting a spacecraft!

Our team of VR experts will provide the perfect content suggestions and make sure your guests have an unforgettable experience.
