

VIRTUAL REALITY EVENT:

VR BIKES

Feel the rush.

Immerse yourself in a full-body VR experience.

Immerse all your senses in an experience that engages both mind and body in an activity that's perfect for competitive team building. MetaVRse VR Bikes put your guests in the middle of the action; the faster you pedal, the faster you ride (or higher you fly!) in a variety of exciting Virtual Reality experiences! Imagine flying a magical Pegasus, driving a tank or taking the lead at the Tour de France!

What you get:

4 Hours (or more) of unlimited Virtual Reality experiences using our fully interactive bicycles.

Multiple systems are available for larger events and a variety of amazing experiences. Spectators get to see what the user is seeing on a bigscreen TV engaging them in the experience.

Our team of VR experts will provide the perfect content suggestions and make sure your guests have an unforgettable experience.
